Marilyn,

I'm working with Shawn to set a date for the site inspection. I will contact you as soon as a tentative date is set.

Jean,

The 3<sup>rd</sup> 5year review is scheduled to be completed by April 12, 2011. EPA should be scheduling their contractors to conduct a site visit in Feb or March. Do you plan to attend that inspection event? Have they contacted you with a potential date for this visit? I do not know at this time who the specific contractor will be for the report. I will keep you in the loop as soon as I know anything on this end.
